

Band Camp performance and pick up.

Hope is under MAJOR construction this year. Please check out the following to make your trip down as easy as possible:

**The band camp performance will be at 5pm in the Hope College football stadium.** The address for your GPS is 313 Fairbanks Ave, Holland, MI 49423. You must access the stadium parking lot via 16th Street. Check out the Hope Stadium PDF to clarify. **Please give yourself extra time to navigate the construction site and make it to the performance.**

After the performance you may sign students out to take home. You will need to head to Durfee Hall to get their luggage. More construction will prevent you from getting near the dorm. I would suggest taking any of the numbered streets west to Collage Ave, and then heading back toward 10th street. There are a few small lots off of Collage you can use that are not too far from the dorm.

The address of Durfee Hall (where your student's luggage will be) is 114 E 10th St, Holland, MI 49423, but 10th street is closed. There is also a lot on the corner of 9th and Columbia, but you will have to cross 10th at Columbia due to construction.
