

Sub plans for 11/25 and 26
Mr. Merchant

These plans assume that you do not have band experience and do not want to lead rehearsals. If that is not true, please head to ovbands.com/substitute and find the plans I left for Mr. Cooper last week. They will work for you if you want to run rehearsals.

1st hour, High School Band

After taking attendance these kids should do student run sectionals. Please unlock the following areas for them:

- Flutes- percussion storage
- Clarinets- choir room
- Alto Saxes - upstairs storage
- Trumpets- ensemble room
- Low Brass and Low woodwinds- auditorium
- Percussion- band room

Please travel between the spaces as the hour goes on to make sure no problems occur.

2nd hour, Prep and Travel to the Middle School

3rd-6th hours, Middle School Bands

On my desk should be a DVD, "Mary Poppins Returns" It is also on Netflix if you have an account. To play the DVD click on the cone icon and press Ctrl D.

My suggestions for rules on movie days:

- Keep kids in their normal seats (seating charts are on PowerSchool)
- No talking

I am usually able to make an exception for my 5th hour class as they behave well.

If anyone needs to leave the room in middle school, please have them sign out the appropriate pass from the front of the room. Make sure they are returned please.

Enjoy the kids!
